

Salto Gymnastics Club: Accessibility Policy

This policy should be read in conjunction with our Health and Safety Policy and British Gymnastics Health and Safety Policy, which we have also adopted. We endeavour to continue to improve our facility to make the building as accessible as possible.

Access to the building

Already In Place

- Front door width suitable for wheelchair users.
- Floor outside and inside is level (No Steps or Slope)
- Flooring is easy to travel across for wheelchair users/people with mobility issues.
- Lift for wheelchair users/people with mobility issues/people with buggies to access First Floor Café/Viewing Area. *Must be able to evacuate yourself however in the event of an Emergency and the Lift being unavailable for use. *

Still to put in place

- Disabled/Enlarged Parking Space.

Kitchen/Toilet Facilities

Already In Place

- Floor is level throughout reception area, kitchen, and toilets.
- Doorways acceptable width for wheelchair users/people with mobility issues/people with buggies.
- Accessible Toilet for wheelchair users/people with mobility issues/people with buggies.

Still to put in place

- Clear signage with symbols to help people with reading or cognitive problems or if English isn't their first language.

Gym Facilities

Already In Place

- Changes in floor surfaces mostly represented with changes in colours to aid people with visual problems.
- Changes in floor height are limited so one half of the gym is the same height flooring and can be used without steps up or down.

Still to put in place

- Some changes in floor surfaces still need better distinction.
