January 2026

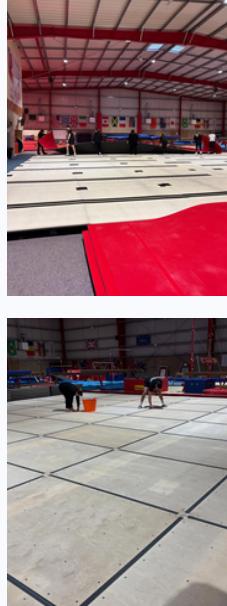

Dear Parents and Guardians,

We've had a fantastic start to the year! After celebrating our Winter Spectacular, the team returned to SALTO at the beginning of January feeling refreshed and ready to kick off 2026. We're looking forward to a year filled with growth, development, and plenty of fun. There are lots of exciting things coming up, so keep your eyes peeled on our social media!

Club Highlights

Rigs Service

In just 24 hours, a dedicated team of staff took up and put back the entire main floor as we welcomed TrampTech to service our floor and trampoline rigs. A huge thank you to everyone who helped make this happen we couldn't have done it without you!

NEW POS System

Over the past six months, we've been working closely with the POS team at FuseMetrix to prepare for its implementation in the club. We're excited to share that we've now fully transitioned to our new tills, which work seamlessly both online and in-club!
